

# NEW-YORK DAILY TRIBUNE, TUESDAY, JANUARY 26, 1864.

**FATAL RESULT OF CLUBBING.**—Dennis Lyons, No 10 Mulberry street, died on Sunday night of wounds received at the hands of Officer George Gracie, of the Sixth Precinct. On the evening of the 16th last, deceased, who was intoxicated, ran against a little girl in Mulberry street, and knocked her down. Officer Gracie ordered him to go home, and after soundly abusing the officer, he did so; but subsequently appeared in the street and addressing the officer in obscene and profane language, he was again told that he must go either home or to the Police station. He persisted in threatening the officer, and was arrested. On his way to the Station-House, he seized Officer Gracie by the throat, and the officer, to defend himself, struck him with his club, and brought him to terms, and Lyons held Lyons in his arms until morning, when he was committed to the Tombs by Justice Dowling, but was subsequently released on bail. He went home, was taken sick, and died at above. Coroner Wilday held an inquest.
